ETHICS

In order to establish and maintain a high standard of integrity, skills, and practice in the profession of land surveying, the following code of ethics promulgated in accordance with NDSPLS By-Law V, Section 3, and hereafter referred to as the Rules of Professional Conduct, shall be binding upon every person holding a membership in the NDSPLS.

The rules as set forth herein are specifically designed to further safeguard the life, health, property, and public welfare of the citizens of the State of North Dakota, and shall be construed to be a reasonable exercise of the police power vested in the NDSPLS by virtue of the By-Laws of the NDSPLS. NDSPLS can establish conduct, policy, and practices to be adopted in keeping with the powers hereinabove stated.

All members of the NDSPLS are charged with having knowledge of the existence of the reasonable rules and regulations hereinafter provided for his/her professional conduct as a surveyor, and also shall be deemed to be familiar with their several provisions and to understand them. Such knowledge shall encompass the understanding that the practice of land surveying is a privilege as opposed to a right, and the Surveyor shall be forthright and candid in his/her statements or written responses to the Society or its representatives on matters pertaining to professional conduct.

STANDARDS OF INTEGRITY

The member shall be guided in all his/her professional relations by the highest standards of integrity, and shall act in professional matters for each client or employer as a faithful agent or trustee.

RULES OF PROFESSIONAL CONDUCT

(SECTION 1) - THE MEMBER WILL BE GUIDED IN ALL HIS/HER PROFESSIONAL RELATIONS BY THE HIGHEST STANDARDS OF INTEGRITY, AND WILL ACT IN PROFESSIONAL MATTERS FOR EACH CLIENT OR EMPLOYER AS A FAITHFUL AGENT OR TRUSTEE.

- a. He/she will be realistic and honest in all estimates, reports, statements, and testimony.
- b. He/she will admit and accept his/her own errors when proven obviously wrong and refrain from distorting or altering the facts in an attempt to justify his/her decision.
- c. He/she will advise his/her client or employer when he/she believes a project will not be feasible.
- d. He/she will not accept outside employment to the detriment of his/her regular work or interest, or without the consent of his/her employer.

(SECTION 2) - THE MEMBER SHALL STEADFASTLY PROTECT THE SAFETY, HEALTH, AND WELFARE OF THE PUBLIC IN THE PERFORMANCE OF HIS/HER PROFESSIONAL DUTIES. IF HIS/HER JUDGEMENT IS OVERRULED BY NONTECHNICAL AUTHORITY, HE/SHE WILL CLEARLY POINT OUT THE CONSEQUENCES, HE/SHE WILL NOTIFY THE PROPER AUTHORITY OF ANY OBSERVED CONDITIONS WHICH ENDANGER PUBLIC

2014 NDSPLS MEMBERSHIP DIRECTORY

SAFETY AND HEALTH.

- a. He/she will regard his/her duty to the public welfare as paramount.
- b. He/she shall seek opportunities to be of constructive service in civic affairs and work for the advancement of the safety, health, and well-being of his/her community.
- c. He/she will not complete, sign, or seal documents which are not in the best interests of the public's health and welfare and in conformity with accepted standards. If the client or employer insists on such unprofessional conduct, he/she shall notify the proper authorities and withdraw from further service on the project.

(SECTION 3) - THE MEMBER WILL NOT ADVERTISE HIS/HER WORK OR MERIT IN A SELF-LAUDATORY MANNER, AND WILL AVOID ALL CONDUCT OR PRACTICE LIKELY TO DISCREDIT OR UNFAVORABLY REFLECT UPON THE DIGNITY OR HONOR OF THE PROFESSION.

- a. It shall be considered unprofessional and inconsistent with honorable and dignified bearing for any surveyor to advertise his/her work or merit in a self-laudatory language, or in any manner derogatory to the dignity of the profession. Professional work should come to the member by virtue of his/her experience, competence, and reputation. Solicitation of employment, criticism of competitors, or self-laudation is degrading to the professions, and is unethical. All advertising shall be in good taste, relating only the experience and the surveyor's availability to perform professional services for which he/she is qualified; and so done in a restrained manner that perpetuates the dignity of the profession.

(SECTION 4) - THE MEMBER WILL ENDEAVOR TO EXTEND PUBLIC KNOWLEDGE AND APPRECIATION OF THE SURVEYING PROFESSION AND TO PROTECT THE PROFESSION FROM MISREPRESENTATION AND MISUNDERSTANDING.

IF HE/SHE BELIEVES THAT ANOTHER MEMBER IS GUILTY OF UNETHICAL OR ILLEGAL PRACTICE, HE/SHE SHALL PRESENT SUCH INFORMATION TO THE PROPER AUTHORITY OR ACTION.
